① 若未注册腾讯会议，请先注册后再登陆

The screenshot shows the '新用户注册' (New User Registration) page of the Tencent Meeting website. The page has a light blue header with navigation links: '腾讯云', '腾讯会议', '云会议', '定价与购买', '开放API', '在线客服', '支持', '下载中心', '加入会议', '发起会议', '登录', and '免费注册'. The main content area is titled '新用户注册' and contains a registration form with the following fields: '手机号码' (Mobile Number) with a dropdown for country code (+86) and a text input; '验证码' (Verification Code) with a text input and a '获取验证码' (Get Verification Code) button; '昵称' (Nickname) with a text input; '密码' (Password) with a text input and a strength indicator; and '确认密码' (Confirm Password) with a text input and a strength indicator. Below the password fields is a '注册' (Register) button. At the bottom, there is a checkbox for '我已阅读并同意《腾讯会议服务协议》和《隐私政策》' (I have read and agree to the Tencent Meeting Service Agreement and Privacy Policy) and a '登录' (Login) button. A '帮助中心' (Help Center) link is also present.

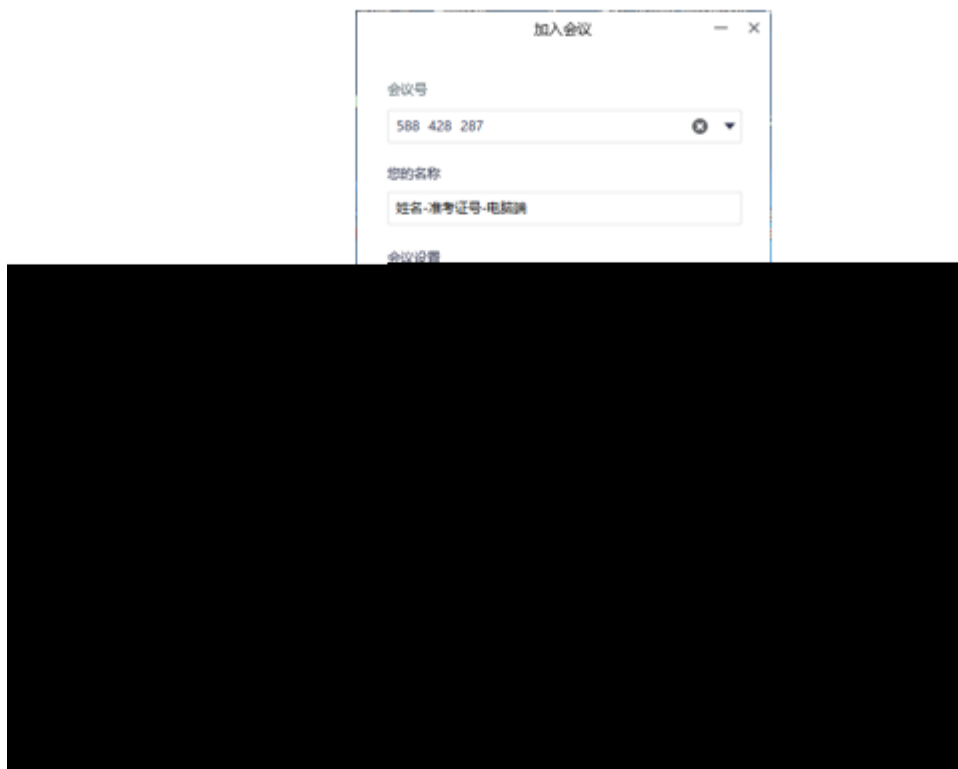

② 若已注册过腾讯会议，请直接使用账号密码 / 验证码登陆

The image shows two side-by-side screenshots of the Tencent Meeting login interface. The left screenshot is titled '账号密码登录' (Account and Password Login) and features a '使用验证码登录' (Use Verification Code to Login) link. It includes fields for '手机号码' (Mobile Number) with a country code dropdown (+86) and a text input, and '密码' (Password) with a text input and a '忘记密码?' (Forgot Password?) link. A blue '登录' (Login) button is at the bottom, along with a '记住密码' (Remember Password) checkbox and a '新用户注册' (New User Registration) link. The right screenshot is titled '验证码登录' (Verification Code Login) and features a '使用账号密码登录' (Use Account and Password to Login) link. It includes a '手机号码' (Mobile Number) field with a country code dropdown (+86) and a text input, and a '验证码' (Verification Code) field with a text input and a '获取验证码' (Get Verification Code) button. A blue '登录' (Login) button is at the bottom, along with a '新用户注册' (New User Registration) link.
